How to register and pay for the Prom

- Registration will be conducted via the **Senior Prom Registration Google Form** from Tuesday May 11th to Friday May 21st. Every senior student must register individually via the Google form. MNHS seniors may register their date/guest.
- Payment must be made by May 21st by either cash or check made payable to 'MN Class of 2021'. In-person students can drop off their payment to Ms. Jacobson (CCAC in library) or Mr. Andrews (room A211). Virtual students or a parent can drop off payments to one of the secretaries in the main office.

Tables (Groups of 10)

- Students must sign up for a specific table when they register on the Google form. Each group should select a 'code word' that they believe will be unique to them and enter that specific word on the form where requested. This will ensure that the students with the same 'code word' will be seated at the same table.
- Tables are groups of 10 people; tables of less than 10 will be combined so it is important to get a group of 10 people who want to sit together in advance!

Dates / Guests

- Members of the Senior Class attending the prom may bring a date or guest. Dates/guests do not have to be Marple Newtown students. Dates/guests who are not MNHS students must fill out the **Guest Permission Form** and submit it to the Class Advisors by May 21st in order to attend.

Dinner

- Dinner will be buffet style and include: oven roasted chicken with sesame honey; Philly style cheesesteaks; mac & cheese; rice noodle sauté with fresh vegetables; field green salad with raspberry vinaigrette; fresh cubed fruit; soda and drink bar; Dessert: Sundae Bar with vanilla and chocolate ice cream and mango water ice; chocolate chip cookies.
