He is the most well-known Civil Rights leaders and spent his life campaigning to end racial segregation and working for racial equality in the United States. Our librarian has included several resources for you to learn more about MLK and his work.

I would like to remind everyone that your student's grades are posted on both Schoology and Infinite campus, which can be easily accessed at any time. Reviewing your student's grades and progress weekly will greatly improve their level of success. Please reach out to your student's teachers when you have questions regarding grades and progress. We would also like to highly encourage all of our students to turn on their cameras and take an active part in their education.

As the first semester ends so will the agreement for students who have chosen the Group C option of remaining virtual. In order to remain or join in the Group C Virtual learning only you will need to fill out the Group C Virtual Only form for the second semester.
